

2019 ARCHERS to NOCK out CANCER

To Benefit St. Jude Children's Research Hospital

St. Jude Children's Research Hospital

ALSAC • Danny Thomas, Founder

Can we as archers work together?

Is it possible to set agendas aside and participate in a Worldwide Event to benefit St. Jude Children's Research Hospital? **We are going to find out!**

The Event

ARCHERS to NOCK out CANCER will run from Friday, February 8th, thru Monday, April 1st, 2019

How To Participate

By volunteering to shoot 1 arrow for every \$2 raised, teams, clubs, and groups will hit the pavement asking for financial support in the way of pledges from family, friends, and businesses in their community. They then will shoot as a team to fulfill their stated goal of 1 arrow for every \$2 raised. Example... if a 10 person team raises \$500 they will need to shoot 250 arrows or 25 arrows each. Every dime goes to St. Jude!!

- Click on link and download and print the [Official ARCHERS to NOCK out CANCER Target](#) and take it to wherever you choose to shoot, it can be anywhere in the world.
- Place the printed target on a safe backstop and shoot from whatever distance you like.
- We ask you to please shoot 1 arrow for every \$2 you raise in pledges.
- Show the world how you supported our efforts to help St. Jude by posting a picture or video of you shooting your target to our [ARCHER to NOCK out CANCER Facebook page](#).
- Send your love by signing your target and mailing it to St. Jude Children's Research Hospital 262 Danny Thomas Place, Memphis, TN 38105

Note:

This is a simple fundraiser for St. Jude Children's Research Hospital.

1. [All donations will be made directly to St. Jude Children's Research Hospital thru a page created on their website](#) using a debit or credit card, or checks made out to St. Jude Children's Research Hospital can be mailed in with your target. Please, NO CASH DONATIONS.
2. Teams can choose to donate as a team or as an individual shooter on a team, your choice.
3. [In a separate challenge, members of the S3DA program would like to compete for a National Championship \(see attached for details\)](#)

The National Challenge

A National Championship is on the line for archers in the S3DA programs in a friendly yet competitive competition.

In this competition, that runs from February 8th, 2019 thru April 1st, 2019 at 12 am PST Individual states in the S3DA program will now compete against other states for the right to be called.

The 2019 ARCHERS to NOCK out CANCER

NATIONAL CHAMPIONS

Are you up for the Challenge?

By volunteering to shoot 1 arrow for every \$2 raised, teams, clubs, and groups will hit the pavement asking for financial support in the way of pledges from family, friends, and businesses in their community. They then will shoot as a team to fulfill their stated goal of 1 arrow for every \$2 raised.

Example... if a 10 person team raises \$500 they will need to shoot 250 arrows or 25 arrows each. Every dime goes to St. Jude!!

The state with the most revenue raised by their archers will be awarded a National Championship Trophy.

The trophy will have engraved plaque with winning state, year and amount raised and will be held in trust until the next year by the club, team or group that raises the most revenue in that state.

We welcome and strongly encourage community involvement outside of your core group.

Everyone is welcome to participate by donating and shooting their own weight in arrows, these arrows count towards the pledge totals. Example... The coaches wife or husband wants to donate \$20 and would like to shoot his or her own 10 arrows, it counts!

Important, NO FUNDS will be collected by us!

All funds raised need to be donated directly to St.Jude's by 12 am PST April 1st, 2019 to count towards your state totals.

Register your donations and get credit for your state by going to <https://www.theyoungarcher.com/national-challenge/>

NOTE: The form on that page is used only to submit necessary info so we can track the donations. The email addresses collected will be only be used to update folks on the competition. Once you fill out and submit the form you will be redirected to St. Jude's website to make your donation.
